In Memory

The executives and staff at Multi-Pure join you in mourning the passing of longtime distributor and friend, Ron Underwood. Ron was one of Multi-Pure's original distributors and has been a longtime friend of Multi-Pure co-founders Allen and Alvin Rice.

Ron joined Multi-Pure in December 1982. Since that time he has earned most every level of recognition Multi-Pure has available. More importantly, he was a role model for distributors all across the country.

All who have had the pleasure to meet Ron knew that this was a man who would never say never! He was full of life, love and was always willing to lend a helping hand. Ron always went the extra mile for his friends, customers and distributors. He was "Mr. Customer Service."

Ron will be greatly missed by all who knew him. Ron is survived by his two children Winn Wendell (wife Mary) and Susan Smith (husband Mark) and their families, and his brother Lee Underwood. Ron had 2 children, 6 grandchildren and 16 great grandchildren.
